

# Frederick John Chaffey

---

## Experience

**2018–Present**

Software Developer • Junior • EWCop

**2016–2018**

Software Engineer • Senior • Intellicargo Global

**2016–Present**

Software Developer • Freelance • Sunset Food Holdings

I am responsible for creating all kinds of systems. I am currently a full stack developer, working on multiple projects, using multiple platforms and languages.

## Education

**NWU Pukke, Potchefstroom, North West**

- Studied BSc IT from 2019 to 2021

## Communication

I am available 24/7 for work. I am willing to travel, commute and work from home. Great work ethic! No job is too hard or too big.

## Leadership

When placed in a leadership position, I will do everything in my power to ensure that I do it to the best of my abilities.
